SUBJECT: Temporary Admission procedure for RMA products

Dear Customer,

According to:

- Article 145 of the Union Customs Code
- EEC No. 2913/92
- ECC No. 2454/93

The “Temporary Admission” is the procedure under which certain extra -EU goods can be brought into an EU Customs territory conditionally relieved from payment of import duties and taxes; such goods must be imported for a specific purpose (e.g. Repairs) and must be intended for re-exportation within a specified period and without having undergone any change except normal depreciation due to the use made of them.

If you need to send us RMA products, you can benefit from this customs procedure.

In order VDS Rail Srl can obtain the inward processing authorization from the competent customs authorities, please comply with the following instructions:

1) Issue a PROFORMA INVOICE indicating:

- DAP Florence Airport (INCOTERM 2020);
- Reasons for Export: Temporary Import / Goods for Repair;
- Serial Number of the Machine(s).

2). In the courier’s AWB, please write:

- DESTINATION: VDS Rail Srl - Via Arno 23/25 - 50019 - Sesto Fiorentino (FI);
- REFERENCE: CAD FIRENZE - Via Panciatichi 22 - 50127 - Firenze (FI)

After repair, VDS Rail Srl will return the materials and close the Temporary Admission procedure.

- In the case of In-Warranty Repair, a PROFORMA invoice will be issued and no costs will be calculated;
- In the case of Out-of-Warranty Repair, an invoice will be issued reporting component costs, labor costs, freight charges, and customs duties.

The above-mentioned procedure shall apply to products in Temporary Use as well.
